YEAR ONE INCLUDES AN OPPORTUNITY TO LEARN

Year one includes a series of nine monthly sessions in which opportunities are provided for personal growth, professional reflection, networking, and community awareness. Participants will receive leadership education in both an academic and practical setting, explore community resources, identify issues and concerns unique to Lake Oswego and interact with many business and community leaders.

YEAR TWO INCLUDES AN OPPORTUNITY TO LEAD

Year two includes an opportunity to experience leading the new students through their own personal and professional growth. Graduates of each year's Leadership Class assume responsibility for organizing sessions for the subsequent year's class. Two or three members of the class are selected as overall chairs for the year. Other members team up to organize a particular day's session.

THE COMMITMENT

- To fully realize the benefits of Leadership Lake Oswego, members should commit to attending every session. Business and community leaders give generously of their time and expertise as a resource for class members.
- Aside from the Meet & Greet on September 5, 2019 from 6-8pm, and the graduation event on June 11, 2020 from 6-9pm, all-day sessions are from 8am - 4:15pm on the following Thursdays:

Sep 19	Oct 17	Nov 21
Dec 12	Jan 16	Feb 20
